workshop

REGISTER NOW

Dear Students,

We're delighted to invite you to a **free virtual Google AI Studio event**, where you will gain hands-on experience with Google's latest AI tool and earn a **Google Skill Badge** to help your CV stand out.

In this 1 hour 15 minutes session, you will:

- Learn how to build AI-powered prototypes using Google AI Studio
- Get insights directly from Google Cloud experts
- Develop practical skills you can showcase to future employers

Spaces are limited, so register early!

 **Location:** Online

 **Time:** Select what date and time suits you best using the link below

 **Register here:** [RSVP](#)

To take part, please also create a **Google Skills account** before the session and join on your **laptop**: [Skills.Google](#)

We look forward to seeing you for an inspiring and hands-on learning experience!
